

# Southwest Winter Fiesta 2022 Meet Information

**Admissions:** Cash Only

**10 years and older: \$15**

**3 years - 9 years: \$10**

**Younger than 3: Free**

Because of the large size of the Convention Center ballrooms, we are not limiting the number of spectators. Spectators are required to wear a mask indoors at all times except when eating or drinking.

**Competition and Awards Location within the Convention Center:** The meet will be held in Ballrooms A & B on the Upper Level of the West Building. Awards will be across the sky bridge on the Upper Level of the East Building.

**Judges and Coaches Hospitality:** Meals, snacks, and drinks will be available throughout the weekend. Hospitality is across the sky bridge on the Upper Level of the East Building.

**Parking:** The Convention Center is connected to 1,500 convenient parking spaces. Primary parking is available at the Convention Center garage (Martin Luther King Blvd & Broadway), with overflow parking available at the Civic Plaza garage (Marquette & 3rd St.). Event parking in these garages is \$6.00 – \$10.00 per vehicle, without in/out privileges. Additionally, there are numerous other public parking garages and parking lots available throughout downtown close to the Center. Parking fees vary. Please refer to the posted parking fees at each garage or lot. There is also on-street metered parking, which is free on the weekend.

**\*\*Please note:** 1/29/22 will be very busy in the parking garage, as there is an Archery competition, Track meet, and evening concert all taking place in the Convention Center complex on Saturday. Arrive early to give yourself plenty of time to find parking.\*\*

**Gymnast Check-in:** Gymnasts may check in throughout the weekend to pick up their gift leotards. Sizes for each gymnast have been submitted by their gymnastics club.

**Concessions:** Meals, snacks, and drinks will be available for purchase at the Convention Center's full service concession stand located right outside of the Ballrooms.

**Available for Purchase:** Candy Grams, Shout-outs, Leotards, and Gym Apparel.

**Mask Policy:** New Mexico requires that masks are worn indoors. Gymnasts will be able to take off their masks during their timed warm-up and competition routine.
